## 2<sup>nd</sup> Congress of the Hungarian Society for Sexual Medicine 15-17. June 2012. Visegrad, Hungary

**Dear Colleagues,**

Let us invite you to the 2<sup>nd</sup> Congress of the Hungarian Society for Sexual Medicine. It will be a real multidisciplinary meeting with participation of different medical specialties as well as speakers from Slovenia, Czech Republic, Turkey, Finland, Germany, Austria, The Netherlands, Russia and other countries. The meeting is arranged with the support of ESSM.

### **Main topics :**

- Prevention and treatment of sexual problems
- Genital surgery
- Cosmetic-aesthetical aspects of sexuality

The congress venue – Thermal Hotel Visegrád\*\*\*\*+, one of our best wellness hotels – is situated on the bank of the River Danube at about 40 kms north of Budapest. The hotel offers rooms to participants for a reasonable rate. Our society is a non-profit organization so we tried to keep the registration fee low and the social programs during the dinners are free of charge for every participant. Dinners are on 15<sup>th</sup> and 16<sup>th</sup> June, and are 30 EUR / person / occasion.

We are going to initiate a Central European Collaboration in Sexual Medicine during the meeting so we welcome everyone who is interested in collaboration.
